- *Cost effective*
- *Enhanced internal controls; mimimise fraudulent transactions*

---

*BankLink™ works with: Request for a demo now! ▶

DBS | OCBC | SCB | HSBC | UOB | Maybank | CIMB | Amex | ABN AMRO | Mizuho | Sumitomo Mitsui | Bank of Tokyo | Westpac | BNP Paribas | JPMorgan | ANZ | Citibank | Bank of America

---

"Our employee productivity is much higher today; the same number of employees can handle a bigger volume..."
— **F&B Chain with 11 Brands**

"Our AR and AP processing time was cut down from a day to less than a minute. We have peace of mind with standardised internal controls. Now, every transaction is secure and tracked so there will be no scams."
— **Independent Education Institution**
